

WARRANTY: Festival Turf warrants its synthetic turf against defects in materials resulting in premature wear during ordinary use of the product(s) within 15 years from the date of purchase. If any area or portion of the turf substantially changes, as distinguished from premature wear, or if the pile heights decrease 50% or more within the same 15-year period, Festival Turf will have such areas or portions replaced, excluding installation costs. Synthetic turf is considered a consumable product; therefore, this warranty excludes normal wear and tear. Normal wear and tear, including matted down blades is not a manufacturing defect and therefore is not covered by this warranty. Slight color changes will occur over the lifetime of this turf and is not considered an issue or basis for a claim. All labor costs involved with the removal of the affected turf and reinstallation of the replacement will be the sole responsibility of the purchaser.

This limited warranty is expressly in lieu of all conditions and warranties express or implied, in fact or by law, or otherwise, including without limitation, any implied conditions or warranties as to merchantability or fitness for a particular purpose.
